Since January 1, 2024, MaPrimeAdapt' aid has financed the realisation of housing adaptation work for the elderly or people with disabilities, with modest or very modest resources, in order to allow them to stay at home safely and independently. MaPrimeAdapt' can finance 50% or 70% of your work depending on your resources (modest and very modest).

BENEFICIAIRE :

Means-tested

People aged 70 years and conditions over unconditionally GIR

Person aged 60 to 69 years GIR 1 to 6

People with a disability under age

Owners occupants or tenants

CONDITIONS

- Work must not be started until the financing agreements have been obtained.
- This grant is subject to resource criteria (modest and very modest income)
- An AMO (Assistant to Master of Works) must assist you
- The choice of the craftsman belongs to you. However, different labels exist and attest to the seriousness or specialty of some craftsmen : Handibat, Silverbat, Proa-dapt, qualification and certification labels..

WORK :

- Replacement of the bathtub with a shower with floor siphon and non-slip floor, equipped with a seat and grabbars.
- Complete creation of a bathroom for people in wheelchairs.
- Raised toilets
- Installation of a stairlift
- Enlargement of doors
- Outdoor accessibility work

The work is adapted according to the specific needs that will be recommended in the autonomy housing diagnosis and the occupational therapist report (in some cases).

A CONCRETE EXAMPLE :

The work project	The mobilisation of subsidies
Installation of a shower with floor siphon, seat and grabbars to replace a bathtub and installation of a raised toilet in a 72-year-old person with very modest amount of eligible work	- ANAH'S help : 3 150 € MaPrimeAdapt' 70 %
	- Department's assistance : 900 € =====
	The rest to be paid for the work : 4 050 €
The amount of eligible work : 4 951 € TTC (4 501 € HT)	The rest at the expense of the work : 901 € (Excluding accompanying cost)
