MaPrimeRénov' finances the energy renovation work in your home, to allow you to gain comfort while significantly reducing your energy bills in the long term. It is also about participating in the fight against global warming, by reducing your energy consumption, improving the performance of your home, adapting your lifestyle and behaviour, choosing efficient, appropriate and sustainable equipment and materials.

WHO ARE WE ?

Trusted third party independent of any marketing logic of materials or equipment, SOLIHA, authorised Mon Accompagnateur Rénov', is a non-profit association, which has been working since 1970, to improve the housing conditions of individuals in the Charente Department.

ADVANTAGES OF ASSISTANCE A SOLIHA PROJECT MASTER

Customised support on the technical, financial, administrative and social aspects allowing you to:

- Benefit, during a home visit, from an Energy Audit that will make it possible to prioritise the work to be carried out
- Be aware of all the aid schemes and take advantage of support to mobilise them
- Keep the choice of the company that will carry out the work
- Benefit from a visit at the end of the work, making it possible to validate the payment of financial aid
- Depending on the funding mobilised, the cost of the support provided by SOLIHA may be largely borne by the organisations

WHO CAN BENEFIT FROM MaPrimeRénov

MaPrimeRénov' is accessible to all owners, regardless of the energy label of the home
